The suggestion was not mine; my judgment and deaire, expressed and repeated, was that the proxies should be returned. I also requested from Mr. Hawley an opportunity to see the proxies received. This was declined.

Inever saw the joint circular or proxy until my return from the South. day he was to meet a committee and invest the money in a vacant lot upon which the association had planned to erect its own building.

Following this is the fear that the defaication, if it is such, may disrupt the union, which is one of the strongest in the State. Accusations are being made by various members, who have made independent investigations, that Murphy is being shielded by certain members who may have shared in the wrecking of the treasury.

Although the warrant was issued for Murphy's arrest on Sept. 8 last the dissatisfied members say that Murphy could have been arrested before this influential members say that Murphy could have been arrested before this influential members of the union.

Murphy lived at No. 2040 Amsterdam avenue, and his wife continues to live there in comparative ease.

Without any serious strikes the Stone-Cutters' Association, with a membership about 55 a day, became one of the richest in the State. Murphy's books showed \$35,000 to its credit. Some members planned to erect their own buildings and thus create a regular income from rents.
